# How to update your personal details and change your Privacy Settings

The screenshot shows the 'My Profile' page of the Kellyville Anglican website. The page has a blue header with the site name and navigation links. A sidebar on the left contains a profile card and a menu with options like 'Privacy Settings' and 'Preferences'. The main content area is a form titled 'Account Details' with fields for name, gender, anniversary, date of birth, email, and phone numbers. A green 'Save' button is at the top right of the form. Three callout boxes provide instructions: a red box points to the form fields, a yellow box points to the 'Save' button, and a blue box points to the 'Privacy Settings' menu item.
