

# How to get to the Member Directory Search

The screenshot shows a web browser at the URL <https://kellyvilleanglican.elvanto.com.au/directory/>. The page header includes the site name "Kellyville Anglican" and a "Test Member" button. A navigation menu contains links for Home, Roster, Songs, Calendar, and Member Directory. A red callout box with a red border and text says "When you click on Member Directory this Search Bar comes up". Two red arrows originate from this box: one points to the "Member Directory" link in the navigation menu, and the other points to the search bar that appears below. The search bar is a white input field with the placeholder text "Search" and a magnifying glass icon on the right. Below the search bar is a white box containing an information icon and the text "Use the search above to find the people you are looking for."
